## **1-800-Charity Cars**

1-800-242-7489

Website: [www.freecharitycars.org](http://www.freecharitycars.org)

This organization donates vehicles to struggling families in need of transportation, provided they are willing to work and become self-sufficient members of the community. For a chance to receive a free vehicle, you must create an online profile. The Charity Cars Assistance Program reviews qualify applications that receive a large number of online votes to their profile. Those that are chosen receive a call from the program staff. They provide the recipient with a vehicle that has been refurbished to insure both reliability and safety of the vehicle, and they may also provide at times a license plate, the down-payment to pay for insurance bills, a service warranty to help with future repairs, and also case management services to families willing to pay their bills.

These two organizations provide Ways to Work loans. These are low interest rate loans to help families purchase a new or used car, pay for car repairs or maintenance, or to assist with other transportation expenses. These small, short-term, low-interest loans are there to especially help working poor families with challenging credit histories with a demonstrated commitment to achieving increased self-sufficiency. Eligibility requirements include: valid driver's license, live in Wayne County, have been employed for at least 6 months working a minimum of 20 hours per week, your income may not exceed the 80 percent median income for Wayne County, and you must have a child under 18 years of age.
