- Our health centers are staffed by physicians, nurse practitioners, and social workers that are available for your physical and behavioral health needs.
- The purpose of this program is to provide quality healthcare in a friendly setting, at a time that is convenient to patients and families. The RAHS Health Center is NOT trying to replace your regular source of healthcare.
- The RAHS Health Center is open and available to ALL youth.

**What can I do to register?**

- Please fill out the attached forms and return them to your school office or to the RAHS Health Center. The enclosed forms include:
  - Consent Forms
  - Health History Questionnaire
  - We also need a copy of the patient's health insurance card

**What happens after I register?**

- By completing the enclosed forms, patients may be seen at the RAHS Health Center during the school day for health concerns and **will be called down for a brief screening visit to obtain basic health information.**
- If the patient is in elementary school, we ask that a parent/guardian be available by phone if they are unable to attend the appointment with their child.
- The RAHS Health Center will bill your insurance company for services received in our centers.

**How is private health information shared?**

- 2. Human Immunodeficiency Virus (HIV) is the virus that causes AIDS (Acquired Immune Deficiency Syndrome). Under Michigan law, an HIV test may be done on a patient if any health care worker or emergency responder comes in contact with that patient's blood or other body fluids. Contact may occur under the skin, in an open wound or through the mucous membranes, which are the tissues that line various openings in the body. If this type of contact occurs, I know that my blood can be tested without my consent. If a test is done, I know that I will receive the test results and counseling as needed.
3. Communication Methods. Michigan Medicine uses many ways to communicate with me. The method used will depend on the reason or reasons for the communication. By providing Michigan Medicine with my contact information I agree to receive communications in different methods, for example: automated calls, text messaging, patient portal, emails, etc. I further agree that Michigan Medicine can send me text messages more than three (3) times a week. I understand that I can choose not to participate in some or all of these methods, but I must communicate my wishes to staff. Michigan Medicine may record incoming and outgoing phone calls with me for quality assurance and training purposes.
4. Telemedicine Services. I understand that I may receive care through telemedicine services. The limitations of a telemedicine visit include the possibility of not being able to pick up conditions found during a complete physical exam. There may also be technical difficulties like a lost connection or interruption.
5. Safety and Security. In the interest of patient, staff and visitor safety, Michigan Medicine reserves the right to inspect or prohibit the use of personally owned devices and equipment including, but not limited to cell phones (including camera and video functions). Smoking and the use of tobacco products and non FDA-approved marijuana products is not allowed in Michigan Medicine facilities. This includes marijuana, non FDA-approved medical marijuana products in all forms, tobacco cigarettes, chewing tobacco and e-cigarettes. Michigan Medicine is not responsible for loss or theft of any personal property if not placed in a Michigan Medicine-provided safe or secure area.
