RAHS HOT NEWS

MENTAL HEALTH ENGAGEMENT AND OUTREACH

MOHAMAD KHRAIZAT,
MBA-MHA, BS-HCM,
CSBI, CSPPM, CSAF,
DIRECTOR, REGIONAL
ALLIANCE FOR
HEALTHY SCHOOLS

As we step from the vibrant days of June into July and a week of Summer Shutdown, we have the opportunity to continue to celebrate important theme that resonate deeply within our community: inclusion and accessibility.

Pride Month is not just a commemoration of LGBTQ+ rights and visibility; it is a reaffirmation of our commitment to inclusivity and diversity in all aspects of our work. At RAHS, we continue to champion a safe and supportive environment for all individuals, ensuring that every child, adolescent, and family we serve feels respected and valued.

Accessibility is a cornerstone of our mission at RAHS. Ensuring that our programs, services, and facilities are accessible to everyone, regardless of their physical, emotional, or socioeconomic circumstances, is critical. By breaking down barriers and providing equitable access to healthcare and support, we empower our communities to thrive and succeed. Our commitment to accessibility, underscores our goal to create a world where everyone has the opportunity to live healthy, fulfilling lives.

As we embrace the spirit of Pride Month, let us also look forward to the joys of summer. This season brings a sense of renewal and opportunity for relaxation, but also presents new avenues for our mission. Whether it's planning outreach initiatives, preparing for upcoming fall school health programs, or exploring innovative ways to engage with our communities, this summer promises to be both enriching and rewarding for RAHS.

I encourage each of you to take a moment to reflect and to embrace the energy as we continue our important work together. Your dedication and passion are fundamental to our mission's success, and I am grateful for the unwavering commitment you demonstrate every day.

Thank you for all that you do to support the health and well-being of our students and communities!

HEALTH CENTER UPDATES

CHECK IT OUT

Construction crews continue to make great progress at the RAHS-Springport Public Schools school-based health center!

RAHS-SPRINGPORT PUBLIC SCHOOLS

SCHOOL-BASED HEALTH CENTER OPERATIONS

OFFICE UPDATE

The RAHS Clinic Operations team updated their office space to make room for a new team member! Stop by and say hi the next time you're in KMS.

We have a new RAHS Group Email specific for RAHS Clinic Operations. This email will go to all three RAHS Clinic Operations Managers and RAHS Director.

JUNE 19 & 20

SCHOOL-BASED HEALTH CENTER OUTREACH

COMMUNITY OUTREACH

Great job on community outreach everyone!

SCHOOL-BASED HEALTH CENTER TEAM

SUCCESSFUL & FUN TEAM RETREAT

"I would like to thank you for the retreat at Dave and Busters. Not only was the food absolutely delicious, but I also really appreciated the healthier options as well. I enjoyed our Scavenger Hunt host. I thought that she was energetic, super fun, and amazingly attentive. The scavenger hunt was so much fun too! It got me to spend time with MAs, NPs, and SWs that I do not interact with on a regular basis. Coming from other departments at Michigan Medicine, I know that this is not an opportunity that gets presented to any other department that I have come from. I am immensely grateful. Thanks again for a great time. I hope we get to do something like that again next year." -- Katie Spaulding

"Just wanted to give a big THANK YOU to Moe, and everyone who organized the employee retreat at Dave & Busters! I had a great time with the scavenger hunt, and the food was awesome =) Hopefully we can do something similar next year! GO RAHS!" -- Mary Levicki

"I would like to express my gratitude for a wonderful time at the summer retreat. Making connections with everyone and putting faces to the names of all my coworkers was a very pleasant experience. Thank you to you and all who put this event together!" -- Carmen Martinez
